## **Finishing**

### **Strap**

Re-join yarn in top of ch2 from row 41 and work 1sc in ea st along – (24)

Ch100, skip row 48 where you single crocheted your work together and re-join your yarn with 1sc in your foundation sts from row 1 (basically the opposite side) and crochet 1sc in ea st along – (24)

Ch100, skip row 55 and re-join your yarn back where you started. – (248 sts in total).

Keep single crocheting around to form your strap, a few rows for a thin strap and more rows for a thicker strap. When happy, fasten off and tie in all your tails.

### **Beaded Applique**

To create the beaded applique shown is really quick and simple. Just take a very long strand of the same yarn you've been using and work 8sc into a magic circle, pull to tighten, sl st to join and pull yarn through to fasten off, thread a bead onto your circle and using the same yarn repeat the process until you have a set of 3 beads resting on 8sc magic circles.

Repeat this method with a new strand of yarn to make another beaded applique.

Simply sew your beaded appliques into place.

And you're done! (^-^)
